Around the garden,
around the garden,
what do you see?
What do you see?

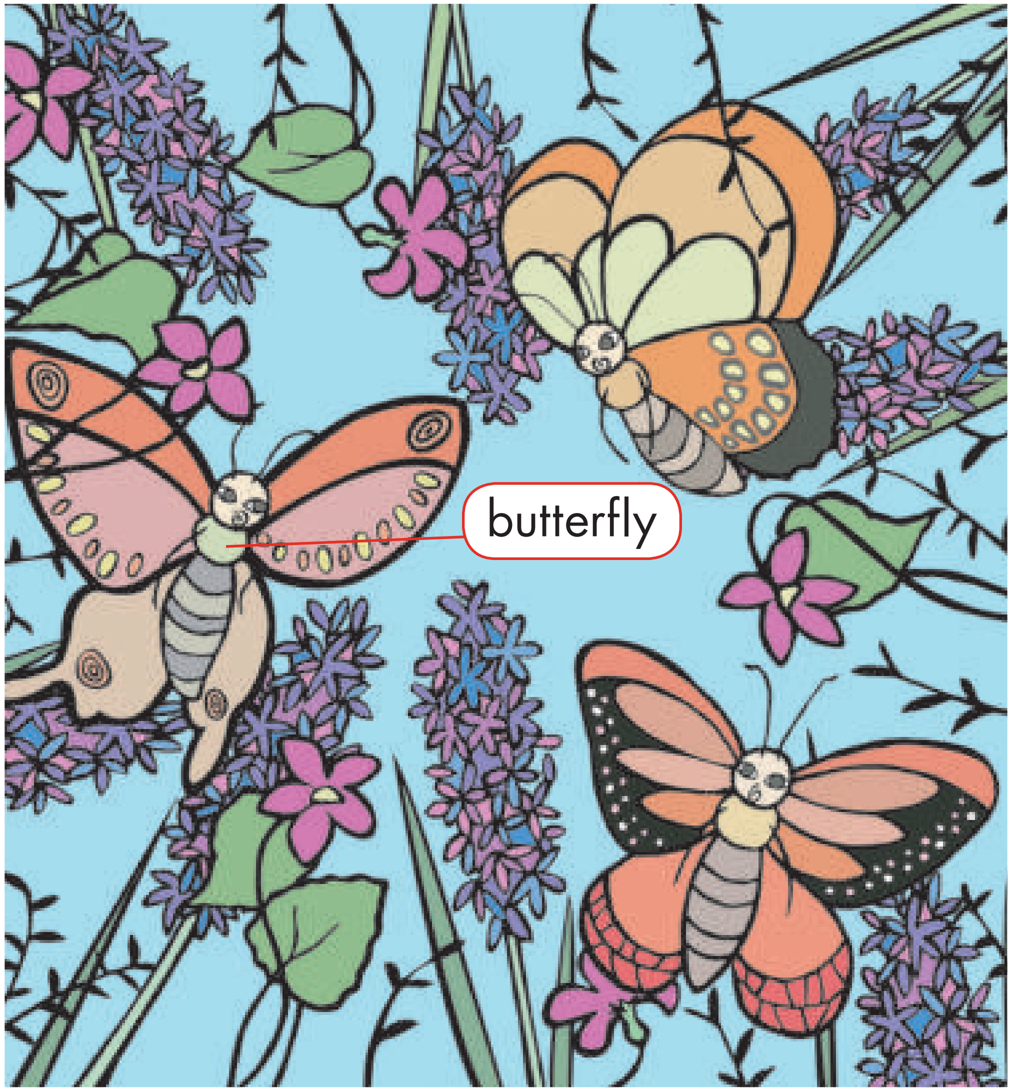

I see one sunflower.
I see two red flowers.
Yes, I do.
Yes, I do.

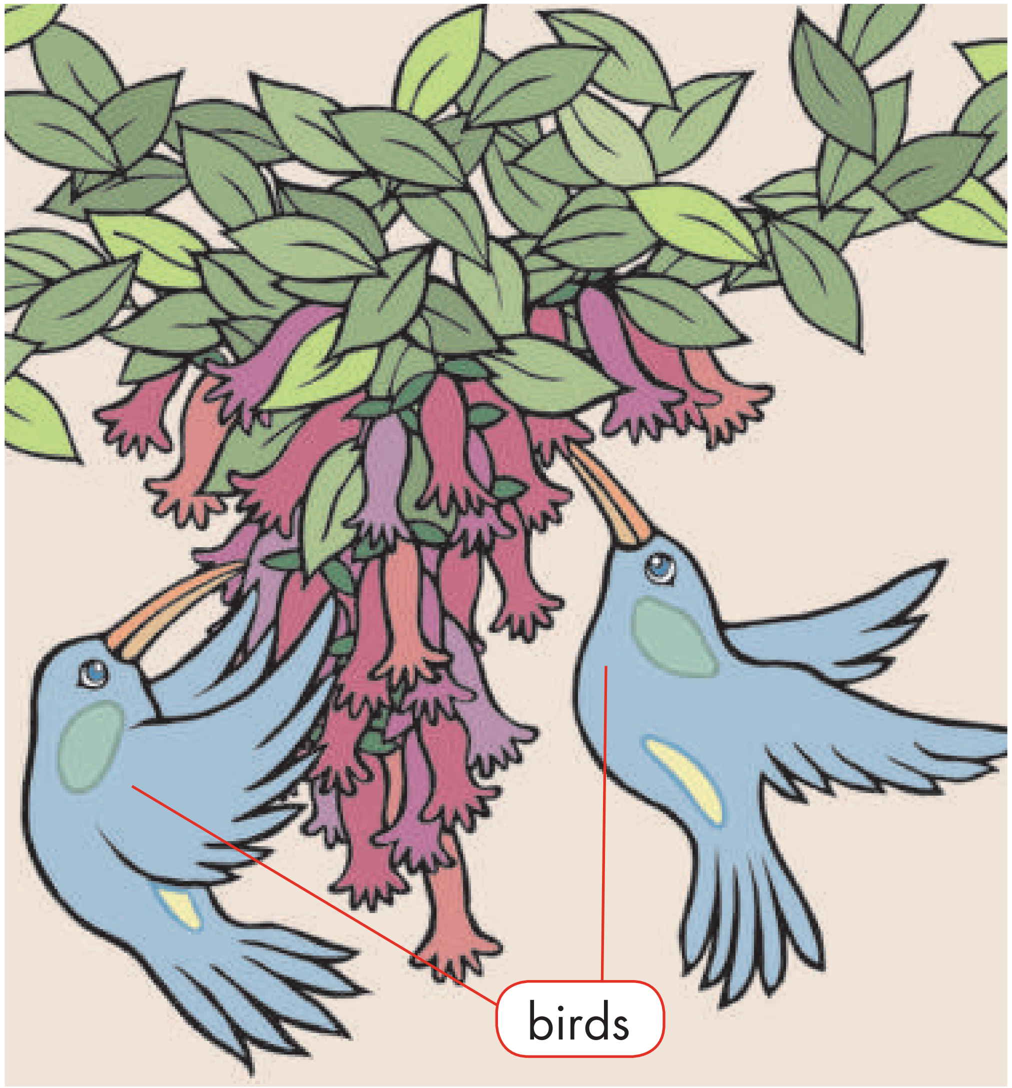

Around the garden,
around the garden,
what do you see?
What do you see?

I see a little squirrel.
I see a little squirrel.
She found food.
She found food.

Around the garden,
around the garden,
what do you see?
What do you see?

I see two little birds.
I see two little birds.
They found food.
They found food.

Around the garden,
Around the garden,
what do you see?

Talk About It

1. Talk about a garden you have seen. What colors were the flowers?
2. Tell about insects and birds you can see in a garden.

Write About It

3. On a sheet of paper, draw and color flowers and animals you remember from the story.

Extend Language

This story has words for things you can see in a garden; such as: *flowers*.
What other things can you see in a garden?
